INFORMATION FOR AUTHORS

RULES FOR DEPOSITING AND PUBLISHING ARTICLES

Submission of a manuscript should be addressed to the Editorial Office via e-mail (textilejournal.editor@fnts.bg), the paper should be written in Bulgarian from Bulgarian authors and in English (working language) for foreigners.

Copyright Transfer Agreement must be signed and returned to our Editorial Office by mail, fax or e-mail as soon as possible, after the preliminary acceptance of the manuscript. By signing this Agreement, the authors warrant that the entire work is original and unpublished, it is submitted only to this journal and all the text, data, Figures and Tables included in this work are original and unpublished and have not been previously published or submitted elsewhere in any form. Please note that the reviewing process begins as soon as we receive this document. In the case when the paper has already been presented at a conference, it can be published in our magazine only if it has not been published in generally available conference materials; in such case, it is necessary to give an appropriate statement placed in Editorial notes at the end of the article.

General style and layout

Volume of a manuscript submitted should not exceed 12 standard journal pages in single column (3600 characters page), including tables and figures. Format is MS Office Word (normal layout). The editors reserve the right to shorten the article if necessary as well as to alter the title.

Title of a manuscript should not exceed 120 characters.

Full names and surnames of the authors, as well as full **names of the authors' affiliation** – faculty, department, university, institute, company, town and country should be clearly given. Corresponding author should be indicated, and their e-mail address provided.

Abstract of a manuscript should be in English and no longer than one page.

Key-words should be within 4-6 items.

For papers submitted in English (any other working language), the authors are requested to submit a copy with a title, abstract and key words in Bulgarian.

Figures and illustrations with a title and legend should be numbered consecutively (with Arabic numerals) and must be referred in the text. Figures should be integrated in the text with format **JPG at 300 dpi minimum**, and in **editable form**.

Tables with a title and optional legend should be numbered consecutively and must be referred in the text.

Acknowledgements may be included and should be placed after Conclusions and before References.

Footnotes should be avoided.

References (bibliography) should be cited consecutively in order of appearance in the text, using numbers in square brackets, according to the **Vancouver system**.
